CHAPTER 1

# YOU HAVE A VISION AND PLAN FOR YOUR COMPANY

You believe in your company. It's full of promise and moving in the right direction. You have a vision and a plan to get there. Now it's time for takeoff.

But there are a few forces that drag your momentum.

You need to go to market faster to reduce time-to-revenue. You need to be innovative without incurring unnecessary risk. Your plan depends on flawless execution.

CHAPTER 2

## REMOVE ALL FRICTION FROM YOUR DESIGN CYCLES

**Imagine** if you could remove all friction from your design cycles and deepen your partnerships across the value network.

**What could your teams create** with advanced collaborative design tools available anytime, anywhere?

**How fast could your team deliver** if you had a platform to run an efficient product design process?

### CHAPTER 3

## LEAD WITH INNOVATION

With the **3DEXPERIENCE®** platform on the cloud, your organization has advanced capabilities for bringing innovation to life.

You're choosing to:

- **Break down internal barriers.** No more silos. When your operations and product teams collaborate on the same platform, synergies happen. Innovation bursts forth.
- **Break down external barriers.** Easily exchange information with the rest of the value network. Align with a larger partner ecosystem. Collaborate seamlessly across organizational lines in real-time.
- **Cultivate value.** Capture and repurpose the design intelligence generated by your teams. Forge relationships between projects to rapidly deliver new innovations.
- **Embrace cutting-edge technology.** Give your people access to industry-leading design simulation, manufacturing and data analysis capabilities.

## CHAPTER 4 REDUCE RISK

**Protect your margins.** Get to market faster. Minimize the delays and costs of late-stage design changes through greater collaboration with stakeholders.

**Be agile.** Respond nimbly to shifting requirements and market demands faster than your competition. Reduce time to market and build momentum.

**Rely on a proven platform.** Use the solution trusted by thousands of companies of all sizes, from a provider with a 40-year track record. Take risks in your designs, not on your business platform.

**Exchange information securely.** Stakeholders can seamlessly review and markup designs on any device. Communicate product data across and beyond your organization - while keeping your IP secure on the cloud.

CHAPTER 5  
**FUTURE-PROOF YOUR ORGANIZATION**

**Innovate sustainably.** Create, execute, repeat. Steadily support an accelerating rate of productivity as the company shifts into higher and higher gears.

**Scale according to plan.** Adopt solutions that foster business maturity and unbridled growth, no matter how high your sights are set.

**Capture knowledge for continuity.** Embed requirements, design intent and even the designer's thought process directly into the design itself. Retain and quickly access institutional knowledge.

**Enable a distributed workforce.** Remove any geographic barriers to working with the best talent, wherever they are in the world.
